The father of two daughters has a popular blog that covers a myriad of topics while giving support to other fathers and those that love them. As the readership of the blog has grown, dadofdivas.com has found its niche in presenting "the next big thing!"

Dad of Divas Reviews gives their take on everything from books to cigars. Recently, the blog posted a **Father's Day** promotion that featured international singer/songwriter **E. Walter Smith's** 'ode to the magic of father/daughter relationship,' "Little Girl." This **FREE** promotion allows you hear the beautiful duet which features American Idol contestant Tatiana McConnico and share it as a Father's Day gift with your friends and family.
